

Inclusive communities respect biodiversity, social diversity and most of all our own diversity!

We invite Tidy Town Committees to create a new leisurely walk.

Create a place where people can meet and get some light exercise.

Comfortable clothes and shoes, a wheelchair or a favourite walking stick are all the equipment people will need.

The short route and seating areas should allow people of all ages and physical fitness to participate. The more energetic can do more laps

The Criteria for the walk:

- At least 300 metre long.
- Seating every 150 metre
- Allow walkers to circle back to the start
- Include items of interest along the route
- New or revitalised route

Your design:

- Should allow people of all ages and physical fitness to take part.
- Connect with your neighbours and your environs,
- While developing an area, in your community that has fallen into disuse.

The aim is to revitalise space within your community and to enhance community spirit.

The project should be a community development in every way, from conception to completion.

Use recycled, upcycled, reused
items to create this walk and the
points of interest along the way.

Encourage an appreciation of the
natural and manmade diversity that
makes your community special.

Show us what you have done

- Take pictures before, during and after.
- Make a map pointing out the items of interest
- Take pictures of your interesting items, people and places
- Get feed-back from the walkers
- Get feed-back from the people who live or work along the route
- In no more than 1000 words provide us with an outline of how you created your project.

The €5,000 prize fund will be divided as follows:

1st place €1,000

2nd place €800

3rd place €700

Plus five prizes of €500

Scoring Points

Points will be given for the inclusion of:

- a variety of age groups
 - variety of community groups,
 - in the design of the walkway
 - creation of walkway
 - use of the walkway
 - creative recycling, upcycling, and re-using
- also
- How well the walkway engages people's interest
 - How well the criteria and aims of this competition have been met.

There are plenty of websites available to give you inspiration, here are a few:
